The 1925 M

of

MOLINE HIGH SCHOOL

MOLINE ILLINOIS

PUBLISHED

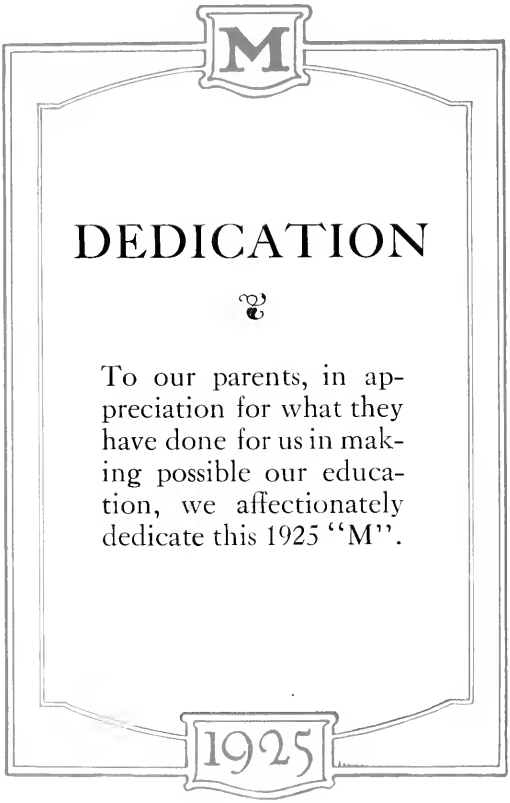
BY THE

SENIOR CLASS

VOLUME

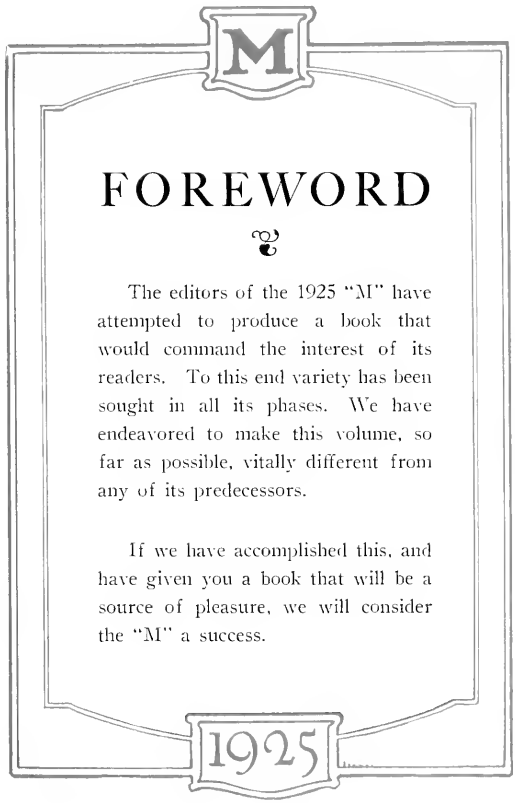
THIRTEEN

SCHAGHT



DEDICATION

To our parents, in appreciation for what they have done for us in making possible our education, we affectionately dedicate this 1925 "M".



FOREWORD

The editors of the 1925 "M" have attempted to produce a book that would command the interest of its readers. To this end variety has been sought in all its phases. We have endeavored to make this volume, so far as possible, vitally different from any of its predecessors.

If we have accomplished this, and have given you a book that will be a source of pleasure, we will consider the "M" a success.

7. SOCIETY
8. SCHOOL LIFE
9. WITH THE JESTERS

FACULTY

E. P. NUTTING, *Principal*

Mr. Nutting is respected and admired by every student who has had the privilege of knowing him. He is a friend, and a real one, of every Moline High student who has been at all serious about his work. Capable of great understanding, possessed of a genuine liking for the student, ever willing to listen, and give valuable advice, Mr. Nutting has become an institution of Moline High School.

The school is unusually fortunate in having such a man to guide its affairs.

ATHLETICS

INGRAM POSTON MARSELL

Athletic Association

OFFICERS

Clifford Ingram ..... *President*
Ralph Poston ..... *Vice President*
Mark Marsell ..... *Secretary*

The Athletic Association is one of the oldest organizations of Moline High School. For twenty-six years this association has promoted all Maroon athletics, and sought in every way to stimulate greater interest in this branch of high school activity.

In the early days of the organization, only those who subscribed to the constitution of the association and paid dues were considered members. Tickets were sold before each game, and the usual price of admission was fifteen cents. The attendance was small, and consequently the association did not prosper financially.

It was finally decided to issue season tickets to the students at a price that would come within the reach of all. The purchase of a ticket automatically admitted the student to membership in the association. The success of this plan can only be estimated when we consider that the organization has grown until it numbers nearly nine hundred members and that its financial status is a source of satisfaction to officers and members.

The association is now composed of all students who buy season tickets in football and basketball. Regular officers, faculty advisers, and a Board of Control consisting of two representatives from each class, form the council which passes on all matters pertaining to athletics in the school.

The Athletic Association has enjoyed another season of prosperity. The large number of season tickets sold for both football and basketball and the unusual interest shown in Moline are a tribute to its success.

Ted Smith, Cheer Leader

"Teeda," diminutive and peppy cheer leader, displayed real ability for his task, and the volume of sound he elicited from his band of rooters in the bleachers was a tribute to his efforts. At pep meetings he never failed to get good cheers from the student body.

The sportsmanship of the school is expressed by the cheering of the student body. Realizing this, Ted strove mightily to make the yelling measure up to our high standard of sportsmanship. It is to his credit that the rooters responded enthusiastically and gave their ardent support throughout the entire season.

Trainers

Baas and Yeager, trainers and assistant coaches, made excellent records this year. Giving careful attention to all injuries, however slight, always willing to administer a good, hard rub-down, or dispense a little aqua pura, these former grid aces proved to be just as efficient at the training end of the game.

Besides their work as trainers, both "Dutchman" and "Handsome" assisted Senneff and Holmgren in coaching the third and fourth elevens.

Glenn Peterson
Clifford Ingram
Wallace Lundholm
Raymond Pearson
Ralph Poston
Edward Reimers
Earl Ronk
Archie Swanson

Leo Carlson, Captain, Halfback

"Charlie," one of the most feared open field runners in the state, was a marked man in every game. His brilliant display of generalship in the closing game of the season was a fitting climax to a splendid grid career.

CARLSON

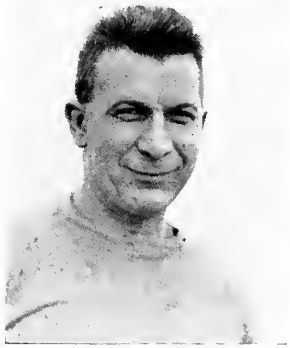
SENNEFF

George F. Senneff, Athletic Director

"Coach" took the material at hand and chiseled, shaped and reshaped it into a strong fighting machine, a clean, high-class team, imbued with the spirit of true sportsmanship. Moline is proud to have him as coach

C. W. Holmgren, Athletic Manager

"Winne's" foresight, cool judgment, and untiring efforts, have helped greatly to put the teams of Moline High in an enviable position in the Middle West. The complete satisfaction and praise of students and lovers of a good sport are a tribute to his success.



HOLMGREN

ANDERSON

Harold Anderson, Guard, Center

"Penny" was a hard, consistent player at either guard or center. He was handicapped by an injured knee which bothered him throughout the season. With the Turkey Day game Anderson finished his high school fotball.

Harold Buck, Tackle

"Buck" cannot be given too much credit for his work as a lineman. He was a valuable man both on offense and defense. He was a hard and sure tackler, and opening up holes was his delight.

BUCK

CARLSON

Lloyd Carlson, Fullback, Halfback

"Pig," playing his first season with the Maroon and White, demonstrated his ability as a backfield man by his brilliant carrying of the ball and by his strong offensive playing. "Pig" should be one of Moline's strong men next season.

Marvin Ellstrom, End

"Mavie's" sturdy fighting spirit and determination to win made him a valuable man on the team. When it came to snagging the ball or making a clean, hard tackle, Mavie was right there. He scored the lone touchdown against Cedar Rapids.

ELLSTROM

ESTERDAHL

Leroy Esterdahl, Halfback

"Esty," flashy midget of the squad, was a fast and shifty open field runner. He showed snap and fight and seldom failed to gain when called upon for yardage. "Esty" was a hard man to stop. They are still talking about him at Galesburg.

Milton Erickson, Fullback

"Micky," after winning many laurels by his hard work in the line, handled the fullback position this season. He was iron man on offense and defense and probably the best passer Moline High School has ever developed.

ERICKSON

GIESENHAGEN

Louis Giesenhagen, Guard

"Louie," our imperturable and colossal guard, fought valiantly all season and brought many an opponent crashing to the ground. He was one of the strong men in Moline's line and made himself felt as well as seen.

John Grassley, End

"Grassley" was invaluable as a hard and sure tackler, and very few backs eluded him on end runs. The deft manner in which he received passes made him a man to be watched closely by opposing teams.

GRASSLEY

HYINK

Clifton Hyink, Guard

"Cliff's" steady, consistent style of playing made him a noticeable man in the line. He handled the guard position so competently that he landed the right berth on the Dispatch Tri-City squad.

Clifford Ingram, Quarterback

"Cliff," scintillating quarterback of the team, did the booting this season. He played a stellar game on offense and defense and his baffling method of shifting to throw off opposing tacklers was the despair of many an opponent.

INGRAM

LUNDHOLM

Wallace Lundholm, Guard

"Wallie" played a steady game, and whenever a man was needed in the line he was rushed in as guard. An aggressive player with do-or-die spirit, he was never known to quit fighting.

Mark Marsell, Halfback

"Mark" was a speedy, shifty open field runner and easily eluded would-be tacklers. Although handicapped by an injured knee, his grit and dogged fighting spirit kept him in the game all season.

MARSELL

PEARSON

Raymond Pearson, End

"Pere" was often called upon to fill the end position. He was a steady, dependable player on both offense and defense. Tearing across the line of scrimmage he would nail his man with a clean, hard tackle.

Ralph Poston, Halfback

"Reggie," diminutive and elusive halfback, made himself known to his opponents every minute he was in the game. Being shifty and fleet of foot he could always be depended upon for a good yardage.

POSTON

PETERSON

Glenn Peterson, End

"Pete" was on his toes all the time and fought hard and furiously every minute of the game. He was undoubtedly one of the best ends that ever fought for the Maroon and White. His snagging of passes was brilliant.

REIMERS

Ed Reimers, Captain-Elect, Center

"Ed" at center was a fighter of the highest calibre and played a stellar game all season. His clever passing and his tackling were of the best grade. He should make a great Captain for Moline High next season.

RONK

Earl Ronk, Guard, Tackle

"Ronk" was one of the quickest thinkers on the team. Although of slight build for a lineman his hard tackling, dogged fight and determination stamp him as one of the best lineman Senneff has ever developed.

SWANSON

Archie Swanson, Fullback

"Archie" was one of the outstanding stars in the East St. Louis game. His smashes and hard tackles showed great ability. He was a reliable player and his everlasting fight made him a good ground gainer.

Football Review

The 1924 football team faced the most strenuous schedule in the school's history, one that was probably as trying as that of any prep machine in the United States. Considering the class of their opponents the Maroons made an excellent showing. They ran up a total of 142 points to 138 for their opponents.

The opening battle of the schedule found Moline playing Englewood. The game ended with a 0 to 0 score. The entire game was played in a downpour of rain, which made the gridiron a morass and rendered anything but straight football impossible. Moline's superiority was evident, but scoring power was lacking when needed.

After a week of hard practice Moline engaged Streator in battle, and sent them home with a 48 to 0 score against them. Streator fought desperately to the end, but never had a chance to score against the speedy Maroons.

The thirteenth of October came with the squad far from home, in the sand dunes of western Michigan. Incompetent work on the part of officials, later acknowledged in a letter from them, gave the game to Muskegon 11 to 6, but unbiased spectators conceded the game to Moline.

Fighting gamely against an older, heavier, and more experienced team, the Maroons went down in defeat at the hands of Cedar Rapids. The Iowa titleholders rolled up a score of 32 to 7 against us on their home field. The large crowd of Moline fans returned home satisfied with the showing of their team.

East St. Louis came up state and held the Maroons to a 0 to 0 tie, which was the second scoreless tie game of the season. Both teams played whirlwind ball and fought hard to the last whistle, but neither side was able to score.

On November first the Maroons and five hundred fans traveled down to Galesburg. Playing championship football reminiscent of the teams of the last three years, the team smashed its way to a 54 to 0 victory.

The team next made a long, tiresome trip to Louisville to take on the formidable Male High team. Here they met with an overwhelming defeat at the hands of the Dixie titleholders. A croaking jink dogged the footstep of the Maroons throughout the entire game, with the result that a record score of 72 to 0 was hung up against the Maroon and White.

Peoria came up for the following week-end and made amends for the succession of defeats administered by the Maroons in recent years. An 18 to 7 score sent them home rejoicing.

With every member of the crippled but fighting team playing stellar football, the Maroons met Rock Island in the Turkey Day classic. At the final whistle the score stood 20 to 3 for Moline. Rock Island made the strongest fight they have shown in recent years.

With this game another season became history, and although it was not so successful as in the previous few years, the team played good football and the school is proud of them.

Lower Row: Swanson, Johansen, Hill

Football Reserves

Struggling through many long hours of practice that tests his endurance to the utmost, the scrub finally passes through his novitiate and finds that he can give as well as take.

The practice of arranging regular schedules of games for the reserves and awarding reserve letters has given them something to look forward to. Hitherto the only reward they possessed after a season of hard work was a good set of muscles and some valuable football experience. Now they have a chance to show what they can do when pitted against other teams, and the letter, which they receive at the end of the season, is something of which to be proud.

The Reserves have reason to boast of their showing this season. They had a three-game schedule and won every game.

The opening battle was with the Rock Island seconds at Douglas Park on Oct. 17. The Reserves downed them 19 to 0.

On Nov. 22, the Islander scrubs with revenge in their hearts, crossed over the border for a return game. They went home crushed by a score of 27 to 6.

On "M" men's day, November 15, the Reserves played East Moline's first team. The visiting team did their best, but the Reserves smothered them with a 52 to 0 score.

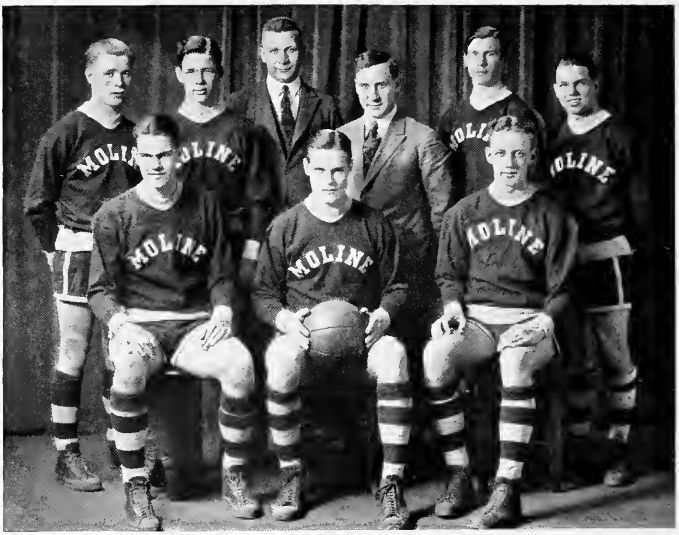
BASKETBALL
1924-25

CAPTAIN
ERICKSON



Basketball

Milton Erickson.....*Captain*
G. F. Senneff.....*Coach*
C. W. Holmgren.....*Manager*
Harold Buck.....*Center*
Leo Carlson.....*Guard*
Marvin Ellstrom.....*Forward*
LeRoy Esterdahl.....*Forward*
Ralph Poston.....*Forward*
Edward Reimers.....*Center*

Milton Erickson, *Captain*

"Micky" will always be remembered as one of the greatest standing guards in the Tri-City district. His splendid display of generalship and his brilliant game at guard were a fitting climax to his prep basketball career. He landed a guard position on the mythical All-District Tournament team for two years in succession.

ERICKSON, Coach

SENNEFF

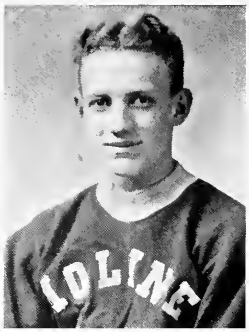
George F. Senneff, *Coach*

Coach Senneff has again demonstrated his superior ability as a coach. Faced with what seemed to be the wreck of his hopes for a championship basketball team, he assembled an aggregation that won the District Tournament and placed third in the Sectional Tournament. Under his coaching Moline has won four of the last five District Tournaments.

C. W. Holmgren, *Athletic Manager*

"Winnie," Athletic Manager and Assistant Coach, displayed the same high standard of efficiency that has characterized all his work at Moline High. This season he arranged a schedule that was a real test of Moline's strength and proof that our team fights best against strong opposition.

HOLMGREN



BUCK

Harold Buck, *Center*

Buck fell heir to the center position when Glen Peterson was lost by the eight-semester rule, and proved to be a master of the floor game. He was great on passes and his good scoring orb netted many a point for the Maroon and White.

Leo Carlson, *Guard*

'Charlie's" brand of basketball was one of the major factors in Moline's success. He was one of the finest running guards Moline has ever developed. "Charlie" was fast, steady, and alert and starred with his passing and defensive playing. He has four basketball letters to remind him of his career at M. H. S.

CARLSON

ELLSTROM

Marvin Ellstrom, *Forward*

"Marvie" played his first season with the team and certainly made good. He dribbled, passed, and shot with skill. He displayed an excellent brand of offensive work and showed to particular advantage in following up long shots. He received honorable mention at the District Tournament.

LeRoy Esterdahl, *Forward, Captain-elect*

"Estey" ducked, dribbled, shot, and smiled his way to a permanent place in the hearts of basketball fans. His remarkable bursts of speed, shifty tactics, and deadly basket eye presented a baffling problem to opponents. He placed on the first All-District and the second Sectional Tournament teams as forward.

ESTERDAHL

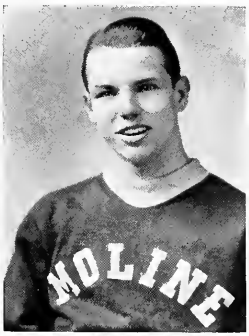
REIMERS

Edward Reimers, *Center*

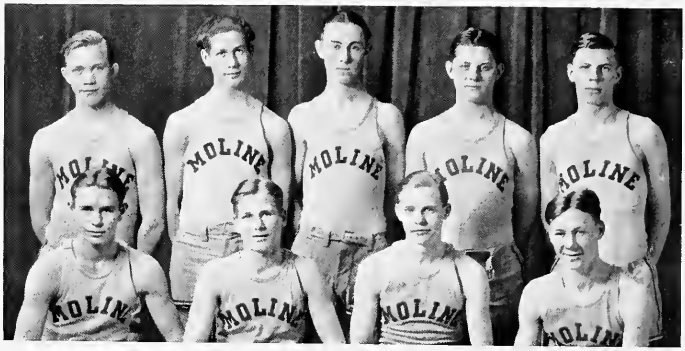
Ed was a steady, ready man with plenty of snap and fight, always using his length and reach to advantage. He had a good basket eye and could be counted on to come over at the right minute with a beautiful short toss for goal.

Ralph Poston, *Forward*

"Riggie," stocky little forward, displayed a lightning brand of floor work, and bolstered up the Maroon offense in a highly creditable manner. He was a cool and scrappy player, and his uncanny eye for the hoop helped Moline out many times. Riggie has played his last season for M. H. S.



POSTON



Upper Row: Lundholm, Humphrey, Minier, Giesenhagen, Carlson
Lower Row: Arnold, Johansen, Pierce, Pearson

Basketball Reserves

Moline's Basketball Reserves earned our respect and highest praise by their faithful work and by the splendid showing they made this season. Night after night they reported for practice and fought with every ounce of their strength to gain a place on the first team. That they did not do so was due to the wealth of material out for basketball this year. For the same reason every man who had the honor of receiving a reserve letter is to be congratulated.

The strength of the Reserves can best be gauged by the fine record they made. Six victories and two defeats was the mark left by the '24-'25 teams.

The Annawan Firsts handed out the two defeats. Both games were hard fought, Annawan winning by the close score of 16 to 14 and 18 to 16.

The Rock Island Seconds were vanquished with hardly a struggle. The records show 15 to 5 and 14 to 7 victories for Moline.

Port Byron was defeated on her own court 25 to 14 and later the team downed them 23 to 16 in the Augustana Gym.

The accurate basket tossing of the reserves won the two games against East Moline's regulars. The first game netted a 21 to 18 victory, the second a 25 to 7 walkover.

District Basketball Tournament

For the second consecutive year the Maroon and White basketball squad has upheld the honor of their school and added to their collection of trophies, by winning the District Tournament Championship. The Tourney was played at Augustana College under the management of Rock Island High School. Eighteen basketball teams anxiously awaited the opening of the tournament, each one hoping to win the championship and the right to represent their school in the Sectional Tournament at Peoria.

The Tournament opened Thursday evening, March fifth, with Rock Island facing the Erie quintet in the first game of the series. It was an easy 29 to 11 win for Rock Island. Port Byron defeated Cordova 24 to 6 in the second game of the evening, and in the third Cambridge after a hard struggle overcame Geneseo 22 to 21. In the fourth and final game of the evening, Sherrard and Annawan engaged in a nip-and-tuck battle, with Sherrard finally winning 23 to 20.

Friday morning, March sixth, found six teams ready to go on the floor. Rock Falls started the program by defeating Aledo 25 to 17. Hillsdale and Atkinson came next. Stellar basket shooting gave Hillsdale a 19 to 16 victory. In the last game of the morning, Moline did the expected and swamped East Moline 36 to 13. East Moline did some fine stalling but failed to halt Moline's basket tossers.

The first game of the afternoon resulted in the overwhelming defeat and elimination of Viola. Manlius won the tilt 26 to 11. The next two games were between Rock Island and Orion, and Port Byron and Coal Valley. Rock Island defeated Orion 35 to 19 and Port Byron, after a hard struggle, eliminated Coal Valley 23 to 18.

Fifteen hundred fans held their breath almost continually while Moline battled Rock Falls in the opening game Friday night. After a thrilling fight Moline won a 23 to 19 victory. The audience rested while Manlius eliminated Hillsdale 25 to 13 in a rather slow game; then they were given another exciting session while Rock Island and Cambridge battled for supremacy. It was a great contest between two strong teams, but Cambridge was finally downed 24 to 25. In the last game of the evening good teamwork enabled Port Bryon to defeat Sherrard 26 to 21.

Saturday afternoon, March seventh, brought the semi-finals. Rock Island eliminated Port Byron 38 to 11 and Moline had trouble defeating Manlius 22 to 18.

On Saturday evening a packed gym witnessed the final struggle for the championship. Manlius defeated Port Byron 17 to 16 in the hard-fought consolation battle for third place. Then the Maroons and the Crimson took the floor. In a wonderfully played contest, Moline defeated Rock Island 29 to 23, and won the District Championship.

The following week the team went to Peoria for the Sectional Tournament. They won their game with Lexington but lost to the fast Peoria team. They placed third in the tournament by defeating Macomb in the final consolation game.

Basketball Review

When the 1924-1925 basket ball season opened, the outlook was rather dismal. Coach Senneff's hopes for a championship team were almost shattered by Ingram's football injury and Captain Erickson's extended illness. However, the Inter-class Tournament held in early December showed an abundance of good material, and the coach created out of it a team that made an enviable record before the season closed.

The first part of the season was marked by several defeats, but the team continued to improve and the season ended with a whirlwind finish that swept all opposition aside and gave Moline the District Championship and third place in the Sectional Tournament.

The first game of the season was lost to Cambridge just before the Holidays by only one point. The game ended with the score at 28 to 27.

January ninth found the Maroons at Streator. It was a great battle. The players on both sides fought with every ounce of their strength, but Moline finally won a 22 to 18 victory.

Macomb Academy was the next team to try their strength against Moline. The game was an exibition of strong offense and speedy defense by the Macomb cagers. They won 27 to 24.

Superiority in both offense and defense gave the Moline Cage squad a 28 to 12 victory over Augustana Academy.

Moline's eclipse in the game at Oskaloosa was almost complete. They held the Iowans to a fairly even score during the first quarter. Then Old Lady Luck refused to smile on them longer and they lost 14 to 30.

Misfortune continued to follow the team. They lost to Streator the following week 19 to 20 on the home floor.

The next game was staged in the Augustana gym. Rock Island did the unexpected and defeated Moline 16 to 14. There was great rejoicing in the camp of our ancient enemy over their first victory in some time.

From this time on our luck changed for the better. Rock Falls was reputed to be a strong team. They were. Their spirits soared high when they got the jump on Moline in the first quarter, but when they left the court their wings were drooping. Moline had defeated them 16 to 12.

The next two games were away from home and Moline won both of them. On February sixth, the Maroons defeated Galesburg 20 to 15. They then went on to Macomb and avenged their previous defeat by netting a 29 to 11 victory.

The team that later won third place in the Iowa State Tournament, Oskaloosa, was the only opponent able to down the Maroons twice. They came to Moline February fourteenth and received a nice little valentine in the form of a 23 to 20 victory, but it was anybody's game till the final whistle.

Galesburg next came to Moline for another session with the Maroons. They went home with another defeat added to their list. Moline won 21 to 17.

February twenty-seventh saw Rock Island playing in the Moline gym. Coach Senneff's up-and-coming team downed them 22 to 17.

The last game of the schedule was with Augustana Academy. The academy boys fought hard, but Moline smothered them 37 to 9.

1924 Track Season

Forty-five candidates answered the call issued by Coach Senneff for track and field tryouts in the spring. There was a predominance of field stars and a lack of strong track material. However, the coach, as has become his custom, speedily shaped from mediocre material a team of championship caliber. The track team garnered second place in the three major events on their calendar, the indoor invitational at Augustana, the Big Eight tourney, and the triangular between Moline, East Moline and Rock Island.

At the Augustana invitational meet Davenport carried off first honors with 27 2-3 points. Moline was second with 21 1-3 points. Vic Esterdahl was Moline's high point man, registering 8 2-3 points.

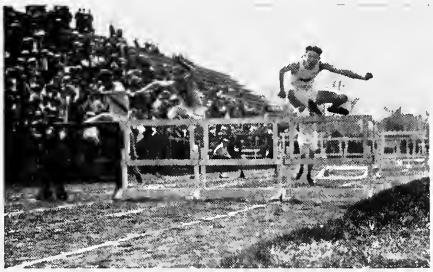
Only two Moliners were entered at the Lombard Interscholastic meet at Galesburg. Osborne placed first in the discus throw, and Ingram annexed second place in the javelin throw.

Long and hard practice put the cinder men in shape for the Big Eight. The weather was unfavorable, making any new records impossible. Rock Island captured first place after a nip-and-tuck battle with the Maroons, which was decided only at the finish of the last event. Moline annexed second place with 33 1-7 points to Rock Island's 37 3-35 points.

In the State Interscholastic meet at the University of Illinois, Osborne was the only Maroon to break into the scoring column. He garnered five points with a first in the discus throw.

The last event of the season was the triangular meet held at Browning Field. Moline took second place with 61 points, while Rock Island again carried off highest honors with a total of 65 points. East Moline placed third with 18 points. Osborne established a new Tri-City record in the discus throw with an excellent toss of 119 feet, 10½ inches.

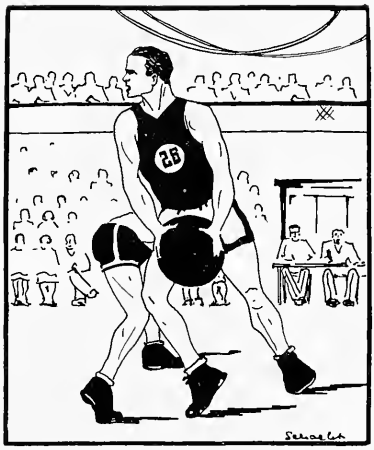
Moline's Invitational Meet



"Cliff" topping the tall timbers.

"Bob" tossing the shot 43 feet.

"Mahvie" all up in the air.



CLASS ATHLETICS.

Senior Basketball

Upper Row: Lundholm, Carlson, Coach, Rinehart
Lower Row: Hansen, Carthey, Schacht

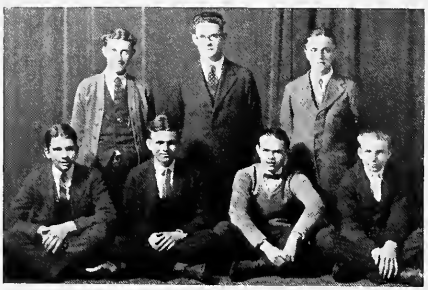
HEAVYWEIGHT

Never did Coach Edward Carlson's heavyweight senior team need the backing of "Old Lady Luck" worse than in the semi-finals, but that fickle lady refused to give them her support and they were eliminated by the up-and-coming juniors. The seniors played a fast and thrilling game, but a series of clean pot-shots by the juniors wrecked their hopes for the championship.

GIRLS

Miss Severance, after weeks of hard training, led the senior girls into the Interclass Tournament and had the satisfaction of having them place first. With the entire team playing championship basketball, the seniors made a clean sweep of their games and vanquished the sophomore quintet in the final playoff. Good teamwork and excellent basket shooting characterized their playing throughout the entire tournament.

Upper Row: Weber, Wilson, Spratt, Livingston, Maves
Lower Row: Johnson, Palmer, Daebelliehn



Upper Row: Peterson, Carlson, Coach, West
Lower Row: Larson, Ewing, Becker, Brissman

LIGHTWEIGHT

"'Tis an ill wind that blows nobody some good," and the senior lightweight team would have been happy if the winds of chance had only blown more favorably in their direction during the tournament. The team put up a good fight, but the underclassmen seemed to have all the luck, and they were finally forced into fourth place.

Junior Basketball

HEAVYWEIGHT

The Junior heavyweights upheld the honor of their class by annexing first place in the Interclass basketball tourney. When the final whistle blew, the log of Tournament rivalry showed the convincing total of three victories and one defeat for the juniors. The entire team worked with a precision and effectiveness that did credit to the conscientious and skillful coaching of Mr. Ekblad.

Upper Row: Schlotfeldt, Odean, Ekblad, Coach, Kurrle, Reimers
Lower Row: Esterdahl, Laugman, Pierce, Wahe

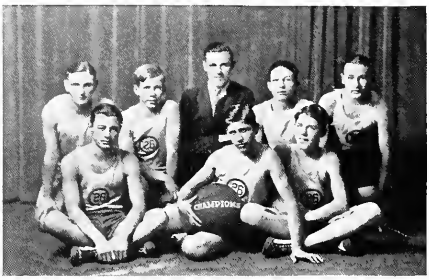
Upper Row: Boquist, Schidlofki Swim, Hunker, Johnson, Vance
Lower Row: Engstrom, Runkel, Falk, Smith

GIRLS

The Junior girls after winning their first game by a decisive score, met hard luck and were eliminated in the semi-final game of the Tournament. The seniors had no easy time with the juniors and the sophomores were able to triumph by only a one-point margin. The team did credit to the skillful coaching of Miss Agnes Schidlofski and Miss Myrtle Linder. They placed third in the tournament.

LIGHTWEIGHT

The Junior lightweight team, not to be outdone by their heavier classmates, galloped ahead of the last contender and won the lightweight championship. The team was given some anxious moments in the final playoff and Coach Ekblad anxiously awaited the outcome, but the quintet finally drew ahead and established its claim to the championship by a decisive victory.



Upper Row: Swanson, Lindquist, Ekblad, Coach, Stauber
Lower Row: Roden, Larson, Peterson

Sophomore Basketball

Upper Row: Carlson, Humphrey, Yeager, Coach, Blue, Hyink
Lower Row: Pearson, Ellstrom, Arnold, Wilson

HEAVYWEIGHT

Harold Yeager's sophomore heavy squad won up to the finals of their series, but their hope for the inter-class championship consideration was shattered when they were downed by the juniors' brilliant aggregation in the final play-off. The team played a wonderful game all through the tournament and placed second in the final.

GIRLS

The Sophomore team staged a great fight for supremacy during the Tournament and almost won the championship by their excellent playing in the final game. The fact that the second year team placed second in the tourney augurs well for their chances to win the title next year. The splendid record made by the team is a tribute to the able coaching of Miss Wolff.

Upper Row: Rinehart, Hammer, Kellogg, Johnston, Fawks
Center Row: Karstens, Stormont
Lower Row: Madison, Carlmark, Thomson

Upper Row: Servine, Francis, Yeager, Coach, Bloemsma, Johansen
Lower Row: A. Johnson, Shirkey, H. Johnson

LIGHTWEIGHT

The Sophomore lightweight team duplicated the feats of the heavier third-year men and won second place in the lightweight events. They displayed real championship caliber and gave the juniors a hard run for first place. The team displayed a knowledge of the game that enabled them to play a superior brand of ball and earn second place in the tournament.

Freshman Basketball

HEAVYWEIGHT

The Freshman heavyweight team entered the tourney imbued with a good fighting spirit and did their best to uphold the honor of their class. Despite their youth and inexperience the first year men showed up remarkably well while they were in the tournament. Although they brought up the rear, Coach Palmer's squad made an enviable record for good, clean, sportsmanlike basketball.

Upper Row: Sundquist, Beck, Linder, Magnusson
Lower Row: Lundeen, Giesenhagen, Johnson

Upper Row: West, Landee, Gooden, Swanson, Hook, Emery, Gould
Lower Row: Smith, Kachevas, Stoneburner

GIRLS

Age and experience told in the girls' Inter-class Tournament and the team of youngsters who battled so bravely for the honor of the freshman class were forced to bow in defeat before the onslaughts of the older aggregations. Though the team placed fourth in the tournament, Miss Belz's charges deserve credit for their display of fight and courage.

LIGHTWEIGHT

Despite the fact that they were eliminated before the final game of the tournament, the freshman lightweight team displayed good teamwork, put up a good fight, and placed third among the lightweights. Their chief weakness was their lack of scoring ability. With the good experience they have gained this year, they should be able to make things lively for the upper-classmen next season.

Upper Row: Hunt, Reimers, Larson, K. Palmer, Coach, Schmidt, Lage
Lower Row: Albright, M. Palmer, McChesney

Inter-Class Basketball Tourney

A new idea for class basketball was advanced and carried out this year in Moline High. It was thought best to hold the boys' Interclass Basketball Tournament in December instead of having it in the Spring as has been the custom heretofore. The main advantage in this was that it gave Coach Semeff a good line on the basketball material for the coming basketball season.

The tournament opened on December eighth and each class was represented by two teams, the heavy-weights and the lightweights.

Four heavyweight teams took the floor on the opening day. The sophomores opened the tournament by overcoming the seniors 13 to 9. The '27 squad showed excellent teamwork and held the lead throughout the entire game. In the second combat, the juniors registered a score of 12 to 8 against the freshmen.

Tuesday saw the lightweights in possession of the court. In a fast game, the freshman team triumphed over the sophomores in a fourth overtime period 16 to 14. The juniors easily downed the seniors 16 to 7 in the first game of the afternoon.

December tenth saw the heavyweights again in action. It was an unlucky day for freshmen and juniors. The yearlings were defeated by the seniors 12 to 9, and the sophomores upset the juniors 16 to 13.

The next afternoon was given over to the lightweight teams. After putting up a stiff fight the freshmen were defeated by the juniors 5 to 10 and the seniors were eliminated by the sophomores 6 to 12.

On December twelfth two heavy and two lightweight teams fought in the semi-finals. The seniors opposed the juniors in the fastest game of the tourney. The juniors won by a 25 to 15 score. Following this game, the '27 lightweights won from the freshmen.

In the final playoff, the heavy and lightweight teams of the '26 and '27 classes opposed each other for the championships. The junior heavyweights won the title 15 to 14 after a hard struggle, and the '26 lightweights overcame the '27 opposition 11 to 6. It was a great day for the '27 class.

The girls' basketball tournament was more interesting than usual this year. The new rules, which allowed the teams more floor work, were largely responsible for harder fought and better played games.

The tournament opened March seventeenth with the seniors facing the sophomores in the first game of the series. The '27's fought hard but age and experience triumphed and they were defeated 11 to 29. The juniors engaged the freshmen in the final game of the afternoon, and handed them a 36 to 14 defeat. The next afternoon the freshmen were completely overwhelmed by the 35 to 5 victory of the sophomores, and the juniors were swamped 13 to 28 by the seniors.

Two teams met in the semi-finals. The sophomores eliminated the juniors 23 to 22, but it was anyone's game until the end and required an overtime period to name the winner.

The seniors met the juniors in a final thrilling battle for the championship and won 13 to 9.

Inter-Class Track Meet

The annual interclass track meet was held April 2 and 3 in the High School gymnasium. There was a complete schedule of indoor events for boys and girls and competition was quite keen, despite the fact that in some of the events there were only a few contenders.

To start the meet Mable Johnson, '26, won first place in the girls' 20-yard dash, setting a new record of 3 1-4 seconds. Carlmark, '27, placed second and Rohrer, '26, third. In the boys' ranks, Sam Whitfield, '37, did the stretch in 2 4-5 seconds, while Carlson, '25, and Thomas, '27, tied for second.

Mabel Johnson annexed another first place by doing the 50-yard dash in 7 1-5 seconds. Maves, '25, and Stormont, '27, tied for second place.

Thomas and Whitfield tied for first place in the 220-yard dash, while Schultz and Art Larson of the '26 class tied for third. The time, 28 seconds, was 3-5 of a second behind the record made by Vic Esterdahl last year.

Steffanson, '25, jumped a height of 5 feet 3 3-4 inches in the high jump for first honors. Tom Larson, '26, and Aultman, '28, took second and third respectively.

Buck, '25, won the mile run. Rinehart, '26, placed second and Charlie Larson, '26, third. Time, 5 minutes 33 seconds.

Vance, '26, took the girls' basketball throw, with Maves, '25, second, and T. Johnson '26, third. Distance 68 feet.

The 440-yard dash was run in 66 1-5 seconds by Art Larson, '26. Cowley, '28, and Kuttler, '27, took second and third respectively.

The hop, step and jump went to the seniors. Buck won with a leap of 35 feet 4 1-2 inches. W. Johnson and Ingram placed second and third.

Kachevas, '28, ran the girls' 100-yard dash in 14 2-5 seconds. Stormont, '25, took second, and Wilson, '25, and Johnson, '26, tied for third.

In the boys' event Ingram and Whitfield tied the record made by Vic Esterdahl by circling the lap and a half in 12 seconds. A. Larson placed third.

The shot put belonged exclusively to the seniors. Sandstrom heaved the shot for 42 feet 5 1-2 inches, and won first place. Erickson and Carlson claimed second and third.

Buck again took first place when he ran the half mile in 2 minutes 26 4-5 seconds. Rinehart and C. Larson, juniors, took second and third.

Dennhardt, a freshman, won the pole vault with a mark of 9 feet 1 inch. Ellstrom and Servine of the sophomores took second and third.

In the girls' relay (one lap each) the seniors and sophomores tied for first, while the juniors placed third. Time 41 3-5 seconds. In the boys' event (two laps each) the sophomores took first, the seniors second, and the juniors third. Time 1 minute 8 4-5 seconds.

The seniors were the winners of the meet, scoring 51 1-2 points, the sophomores followed with 41 points and the juniors with 37 1-2. The freshmen made but 14 points. This was the seniors' fourth consecutive championship.

Buck was chief point winner for the boys, totaling 15 points, while Mabel Johnson led the girls with 11 points.

LITERARY

CAREY MARTIN SHALLENE

Literary Association

OFFICERS

Lyle Carey ..... *President*
John Martin ..... *Vice President*
Milda Shallene ..... *Student Manager*

The interest and prestige accorded literary events in school is due, in a large degree, to the Literary association. Organized in recent years for the purpose of placing the forensic and journalistic enterprises on the same basis financially, and to coordinate the work of all literary activities of the school, this organization has been a very decided success. The American principle of organization and consolidation has been most effectively applied to the literary activities with the result that their importance in the daily lfe in the school increases yearly.

Since in all organizations the officers are the living embodiment of its spirit and purpose, a large part of the praise for the splendid work of this association falls to the officers who, this year, have so successfully piloted it.

CAREY COLSON RIECHERS

Boys' Declamation

On the evening of Friday, December 6, ten declaimers competed for a place on the Boys' Declamation Team. When the judges' decision was announced the six successful contestants were found to be: Gordon Aspengren, Lyle Carey, Howard Colson, John Martin, Edward Riechers and Walford Walden. Lyle Carey, who gave the selection, "God's Man," was adjudged the best declaimer and was given the privilege of representing Moline in the Boys' Big Eight Declamation contest.

A triangular contest was held with Geneseo and Rock Island on Tuesday, December 10. In the verbal battle with Geneseo, held on the home platform, Lyle Carey, Howard Colson, and Edward Riechers represented Moline, while Gordon Aspengren, John Martin, and Walford Walden represented the school at Rock Island. The Moline speakers were victorious on both floors and won the three-cornered contest.

In the Big Eight Contest held at Geneseo on December 12, our representative did very fine work, but failed to place. Kewanee, Monmouth and Geneseo won places in the order named.

ASPENGREN MARTIN WALDEN

DOLKART DU CRAY McBAIN

Girls' Declamation

Ten girls competed on Wednesday evening, February 4, for membership on the Girls' Declamation Team. Competition was keen, which made the judging more difficult. The successful contestants were Hannah Jane Bell, Grace Darling, Eleanor Dolkart, Villette DuCray, Cecile McBain, and Milda Shallene.

The triangular contest held between Moline, Rock Island and Geneseo on February 6, resulted in a victory for Moline. Eleanor Dolkart, Villette DuCray, and Cecile McBain spoke in Moline, while Hannah Jane Bell, Grace Darling, and Milda Shallene spoke in Geneseo. Moline won both contests.

Eleanor Dolkart was chosen as Moline's Big Eight representative. The Big Eight Declamation Contest was held at Rock Island on February 13, and our contestant placed third. Rock Island and Monmouth won first and second places respectively.

Three members of this year's team are eligible for competition next year, and with such a nucleus to build around, a strong team may be expected.

BELL DARLING SHALLENE

DOLKART COLSON RIECHERS CURTIS

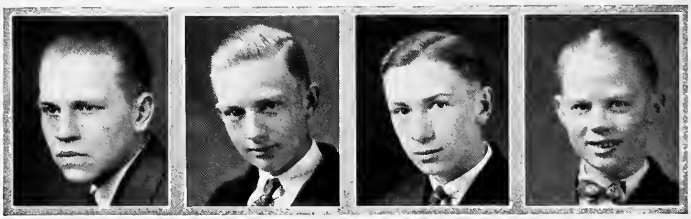
Debate

The Big Eight argument this year was on the question, "Resolved, That the St. Lawrence Waterway Project should be constructed."

The affirmative trio met the Rock Island team on the home floor Friday, March 13. Soon the arguments were flying thick and fast. The Islanders, however, were unable to break through the defense of the Moliners and the judges presented a 2 to 1 decision to the Plow City debaters.

The negative team clashed on the same night with Davenport, meeting the Iowans' affirmative aggregation on the Davenport platform. Our debaters all did exceptionally well, presenting a strong case to their opponents. The "Keiberites" received the decision of each judge by a narrow percentage, largely because of their smoothness of delivery and their employment of debate technicalities.

Affirmative	Negative
Eleanor Dolkart, Captain	Walford Walden, Captain
Howard Colson	Arnold Clair
Ed. Riechers	Paul Schwiebert
Bessie Curtis, Alt.	Warren Streed, Alt.



WALDEN CLAIR SCHWIEBERT STREED

CARR CURTIS DOLKART

Extempore

Try-outs for places on the Extemporaneous Speaking Team were held in the auditorium Friday evening, April 3. The winning speakers and their subjects were as follows:

Leona Carr, "The Prohibition Question;" Bessie Curtis, "The Mexican Situation;" Eleanor Dolkart, "Philippine Independence;" Edward Riechers, "The Air Service and the Navy;" Milda Shallene, "Mussolini;" Walford Walden, "The Forest Service."

A dual contest with Rock Island was held on the Islanders' platform Wednesday afternoon, April 15. After a spirited contest Rock Island emerged the victor by a narrow margin.

By virtue of her showing in the two preliminary contests, Eleanor Dolkart was chosen as Moline's Big Eight representative. In the contest Friday, April 17, at Galesburg, our representative took first place by a decisive score. Davenport placed second and Rock Island third, giving the Tri-Cities a slam in the three events. Eleanor was the only girl in the contest.

RIECHERS SHALLENE WALDEN

COCKRELL

Ella M. Cockrell

As adviser and councilor of the Annual, Line O' Type, and the Maroon and White Handbook, Miss Cockrell has been most instrumental in maintaining a high standard in the publications of Moline High School.

Evidence of the high place of journalism in the school, due in a large measure to the guidance of Miss Cockrell, is furnished by the records in past years of Moline High School publications. The Annual was ranked as one of the ten best in the United States in its class, in a nation-wide contest conducted by the Central Interscholastic Press Association last year, while the Line O' Type for two successive years won the honor in statewide competition, of being the second-best high school weekly in Illinois in its class.

Dolph Lain

Back of the success of any literary contest and contestant lies efficient coaching. Moline High School is fortunate in having for its coach of the declamation. debate and extempore teams, Dolph Lain, whose work in training our contestants has contributed greatly to the victories won by Moline speakers.

Mr. Lain has been instructor in Public Speaking for two years. During this short time Moline has placed in two Big Eight contests, Boys' Declamation in 1923 and Girls' Declamation in 1925. Our teams have also won two triangular struggles, Boys' Declamation in 1924 and Girls' Declamation in 1925.

The 1925 "M"

The 1925 "M" is taken from the press, after months of hard work, at an approximate cost of $3,000.00. When it is considered that the "M" sells for $1.25 or $1.50, one readily sees the work involved in financing this book. Business conditions in Moline and the vicinity have been unusually poor. However, despite financial handicaps of various natures, we believe we have been able to publish a book that is different from the preceding "M's," and, we hope, equal to any. Changes in arrangement of material have been made, different ideas instituted, a color border introduced, a new type of cover design, something different in the view section, new methods of photographing class groups, and a different method in arranging senior panels. All these things and many more have been changed or added with the view of pleasing our subscribers. We trust we have succeeded.

The

MAROON and WHITE
HANDBOOK

MOLINE, ILLINOIS

The Hand Book

In line with the ever increasing literary interests a new publication has been developed, known as the Maroon and White Handbook.

This booklet is essentially a description of Moline High School, telling of its history, customs, and the activities and organizations which it fosters.

The handbook is distributed free of charge to the incoming freshmen at the beginning of each semester, and was distributed to the entire student body at the time of its publication. The Maroon and White Handbook is something which has long been desired by both teachers and students. In it the reader may find a directory of the clubs and organizations in the school and an idea of the proper procedure in all matters of school routine.

The Board of Education very kindly provided for the printing of the handbook, while its editing was entrusted to a committee consisting of Walford Walden, '25, chairman, Ann Vernon, '25, Hester O'Neill, '25, Edward Riechers, '25, and Merlin Francis, '26, with Ella M. Cockrell as faculty adviser.

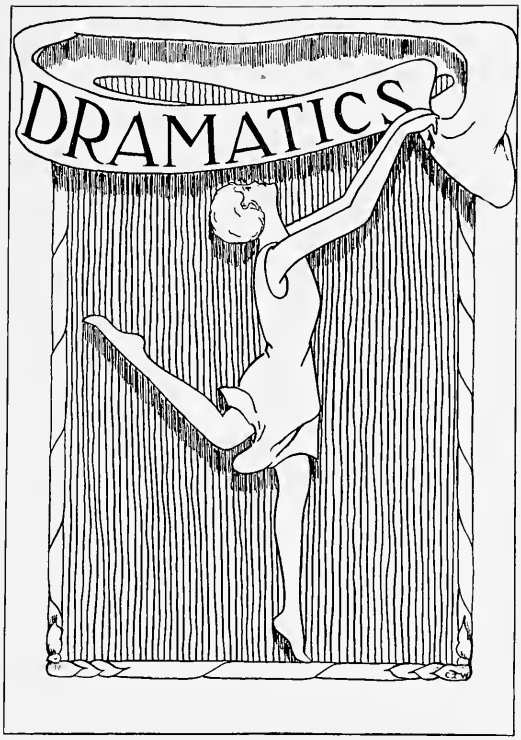
The Line O'Type

The Line O' Type under the capable direction of Linwood Murray has efficiently performed its duty as a recorder of school events. It has brought much credit and honor to the school by winning second place in its class at the Illinois Press Association Convention held at Champaign, and also by bringing home the banner for the best sports story at the High School Newspaper Convention sponsored by Knox College.

The business affairs of the paper were very ably managed during the first semester by Ralph Stephenson, and upon the graduation of Ralph in January the financial end was supervised with equal care by Stanley Hoyt.

The management this year continued to publish the paper weekly as was done the previous year. The articles in The Line O' Type have always been in real newspaper style. Four special columns proved of great interest, namely, "X," "Up and Down," "Gridiron Gabble," and "So I Am Told." The extensive use of cuts has also helped to liven its pages.



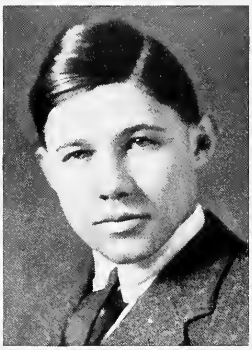
DRAMATICS

1925 Dramatics

The dramatic season of 1925 opened with the Junior Play and closed with the Latin Play. In the short space of time elapsing between these two productions the students of the school have been given the opportunity of witnessing some truly remarkable amateur acting.

The Seniors with their very fine presentation of "Adam and Eva," scored a notable success. The Juniors presented "Clarence" in a very creditable manner and great things may be expected from the third year Thespians next season. The Operetta was more picturesque than ever before. It ranks with the best the Glee Clubs have ever offered. The other two senior performances, the Minstrel Revue by the Fellowship, and "Cupids and Calories," by the A. D. C. were both novel and well presented. The last of the plays, "Dido," given by the Latin Department, was of the same high standard that has characterized these performances since their inauguration in 1910.

The dramatic season as a whole was a decided success. With few exceptions large and appreciative audiences were on hand. Coaching and managing of the plays has been of the highest order. Already our thoughts are turning to next year, and we are confident that the same high standard will be maintained.



EDWARD RIECHERS
Business Manager

Senior Play

The Senior Class presented the four-act comedy, "Adam and Eva," April 11, in the school auditorium. The play was under the direction of Ednah Creutz Bradley.

Synopsis

James King, millionaire, has a large family whose extravagant ideas are a source of much tribulation to him. The family, with the family physician, plot to get Mr. King away for the summer so as to be free from him restrictions on their extravagance. He discovers the plot, but decides to go anyhow on a trip up the Amazon and leave in charge of his household Adam Smith, a young employee of the firm, who has old-fashioned ideas of home life.

In the meantime, Lord Andrew Gordon, a Scotchman with a title he wishes to exchange for a fortune, becomes engaged to Eva. Finally Adam fabricates the story that Mr. King has lost all his money and that the family will have to go to work. When Mr. King returns this is the position in which he finds them.

Adam confesses he made up the story in order to bring them to their senses. Lord Andrew breaks the engagement, and Eva and Adam are happy in their new-found love.

Junior Play

A very clever three-act play entitled "Clarence" was given by the Juniors November 28 in the auditorium.

Synopsis

Clarence, a veteran of the World War, comes to the offices of Mr. Wheeler in the hope of securing a position. To satisfy his daughter's whim, Mr. Wheeler employs Clarence as a handy man about his home.

Bobby Wheeler, who is madly in love with Miss Pinney, his sister's governess, believes Clarence's appearance is dangerous to his plans. Mrs. Wheeler, a jealous, temperamental woman, dislikes Miss Pinney, who she thinks shows a distinct interest in Mr. Wheeler. After many humorous and humiliating complications Clarence's true identity is made known. To the bitter chagrin of Bobby Wheeler, Miss Pinney develops a surprising interest in Clarence and their realization of their love for each other forms a fitting climax to a very successful play.

Operetta

A very successful Operetta was presented by the Glee Clubs on March 27 in the auduitorium.

Synopsis

The action is laid around the character Rob, who was stolen as a child by his nurse, Meg, a Gypsy woman who later becomes the wife of Marto. Oblivious to the fact that he is the son of an English nobleman, Rob grows to manhood under the guidance of his foster parents.

One day while riding with her fiance, Lord Craven, Lady Constance becomes lost in the woods. There Bob meets, and falls in love with her.

Two years later Constance who has refused to marry the Peers of the British Empire because of her love for Rob, is visited by her lover secretly. He has returned to England to claim his true title. Rob fails to tell Constance of his identity and later she does not attend a reception given by her father. While she is mourning for her lover he appears in his new guise. Constance fails to recognize him. However, Sir Gilbert quickly dispels all her fears that her Gypsy Rob will never return, by revealing himself to her.

Fellowship Revue

The Senior Class achieved another dramatic success when the Senior Fellowship Club staged their annual Minstrel Revue January 1 and 2 in the school auditorium.

Part one was a comedy in one act, entitled "Gassed." The scene was laid in a fraternity house of a mid-western university. The sketch was clever and very well played.

A departure from the ordinary was made for the "main show." The entire company was assembled in a studio of a well known artist. The cast assumed a dashing appearance in smoking jackets and artists' caps. The performance was clever, witty, and very well staged. Kenneth Miller, singing "It Takes A Girl To Do It Every Time," made the hit of the evening.

Everett Carthey and Mark Marsell as a bride and groom presented a striking appearance and elicited gales of laughter from an appreciative audience.

A. D. C. Play

The Girls' After Dinner Club presented a very clever three-act play, "Cupids and Calories," in the high school auditorium on Friday evening, March 20. The play was coached by Ednah Creutz Bradley.

Synopsis

Valetta Claridge sends word that she is returning home for a visit. To honor her on her return her friends plan a fitting celebration. Lois Lovett, "Spud," leader in all their plans, is an active member of the "calorie counters."

Val arrives with a guest. After the girls leave she confides to "Wattsy," an older member of the group, that she is engaged, and that her fiance's uncle is calling the next day.

When the uncle arrives his card is kept by envious Hannah Moody who fails to deliver it to Val. Mr. Hammon is injured in an accident and sends word to Val that he wishes to see her. Through the efforts of Spud, Hannah is made to confess that she kept the card, and Val's distress is relieved.

To the surprise of all, Mr. Hammon is found to be a former lover of Miss Watts, who brings the renewed romance to a happy conclusion.

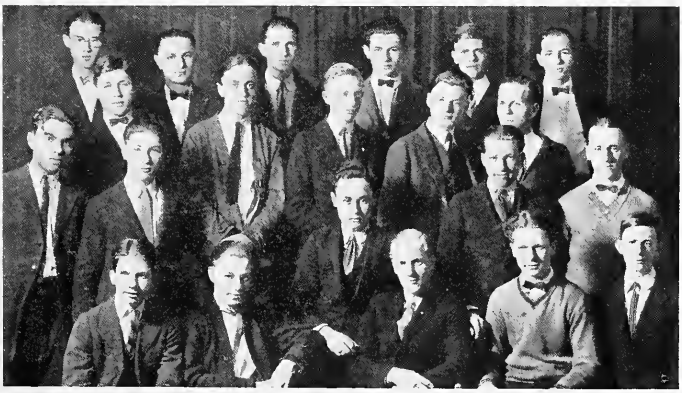
Fellowship Club

Lyle Carey ..... *President*
Carl Balzer ..... *Vice President*
John Martin ..... *Secretary-Treasurer*
Carl Ekblad ..... *Adviser*

The Fellowship Club was organized in the fall of 1915. Although its purpose was chiefly educational, to give the fellows experience in impromptu speaking, sociability and fellowship have shared equal honors.

The Club, whose members are composed of the boys of the Senior Class, has met this year on the third Wednesday of each month. The boys meet at six, and after a musical entertainment by Club talent, Miss Weckel serves dinner. Following the business meeting, the speaker of the evening is introduced. Mr. Nutting, Mr. Mahoney, Mr. Pope, East Moline sportsman, and Mr. Ward, of the Moline Tool Company, have talked to the Club during the past year.



Hi-Y Clubs

Lloyd Grantz ..... *Vice President*
Everett Swanson ..... *Secretary-Treasurer*

SENIOR HI-Y OFFICERS

Everett Carthey ..... *President*
Paul Schwiebert ..... *Vice President*
Ralph Poston ..... *Secretary-Treasurer*

The Hi-Y clubs were organized in 1918, under the auspices of the Y. M. C. A. They were divided into Junior and Senior branches, and both high school boys and Y. M. C. A. members are eligible. The purpose of Hi-Y is to promote clean sports, clean speech, clean scholarship, and clean living. The clubs meet once a week, the Senior under the leadership of Mr. Day, and the Junior under Mr. DuCray, for study. For the past year they have been taking a course in "The Athletes of the Bible."

Science Club

OFFICERS

Edward Riechers ..... *President*
Willard Seiffert ..... *Vice President*
Howard Larson ..... *Secretary*
Lloyd Johnson ..... *Treasurer*
Elmer Benson ..... *Adviser*
Carl Ekblad ..... *Adviser*
Harley Milstead ..... *Adviser*

The Science Club is composed of members of the Physics, Chemistry, and Physiography Classes. This is the youngest of the High School Clubs, having been organized in 1924.

The meetings are held on an average of once a month, in the Science recitation room. An interesting speaker is provided if the Club does not go on a sight-seeing tour. Mr. Washington, of the Roxana Oil Company, and Mr. Grant, president of the Tri-City Brick Company of Carbon Cliff, were among the speakers this year. The Moline Waterworks, the Weather Bureau in Davenport, and the Chemical and Physical laboratories on the Island were visted.

Girls' Beginning Glee Club

The formation of the Beginning Girls' Glee Club was necessary because of the very crowded condition of the advanced section. It has since become a permanent organization in itself.

Thelma Jackson is president, and Virginia Willman treasurer of the club.

This year under Miss Dunlap's capable direction the girls have appeared at many of the school literary contests.

Boys' Glee Club

The Boys' Glee Club has been a decided success since its organization in 1915 and this year has proved to be no exception.

Clifford Ingram is president and John Martin treasurer of the Club. The boys have done very creditable work in this department, taking part in the operetta and carrying their parts successfully.

Because of the large number of under-classmen in the club prospects are bright for next year.

After Dinner Club

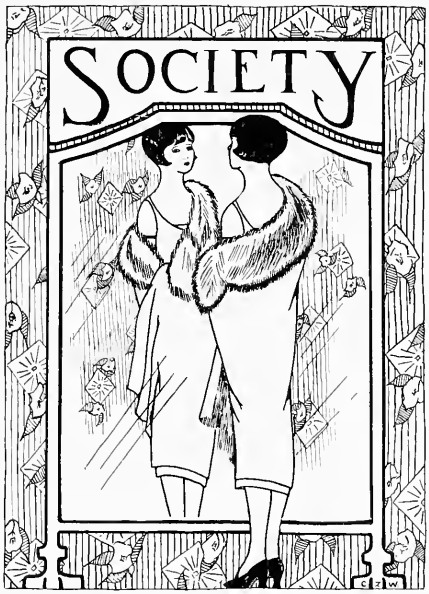
OFFICERS

Floy Stein.....*President*
Grace Darling.....*Secretary-Treasurer*
Esther Lind.....*Sponsor*
Leona Day.....*Sponsor*

The After Dinner Club was organized about the same time as the Fellowship. It has been a great success from the beginning as it has had its social results as well as the accomplishment of its main purpose—"a more perfect union of the Senior girls." This year the girls met in September and elected officers. The following chairmen for each month's program were also elected: Ruth Spratt, Linnea Sandholm, Catherine Wilson, Mildred Erickson, Lucille Palmer, Marguerite Boom, Leona Carr, and Anita Anderson. The mothers were entertained in October, the Junior girls in April, and the Fellowship-A. D. C. party was held in May.

The girls have enjoyed listening to many interesting speakers during the past year: Mrs. Frank Day, Mrs. Clara Cook Helvie, Miss Anna Gran, and Dr. Mable Otis, giving very interesting talks.

"Cupid and Calories," a comedy-drama, was staged by members of the After Dinner Club, Friday evening, March 20. The play was well coached by Mrs. Ednah Creutz Bradley.



SOCIETY

Social Events

Bang! Crash! Toot-toot! Crepe paper ribbons flying—the scraping of countless feet, the compelling rhythm of an "imported" orchestra—laughter—chatter—a gay whirl of colors. What is it?

That is hard to tell, especially if we should be peeking in during the time for "eats." It might be the Seniors or the Sophomores at a Class Party; it might be one of the Literary Association matinee dances; or if it is particularly festive, it might even be the Junior-Senior Prom. Look again! This time we are in the Auditorium. There we might see a dozen girls in artists' smocks, dancing, or a group of acrobats tumbling, the result of the combination of all the fertile brains on the Social Committee.

Each class has three or four parties a year, class rank of those attending determined by the number of credits they possess. However, this year a new plan was tried by the two upper classes, that of combining two of their parties, the Seniors inviting the Juniors to one, and Juniors returning the invitation at their next party. In this way it was hoped to increase the interest and attendance at the dances.

This book goes to press too early to give an account of the Junior-Senior Prom, but the plans made so far promise an affair equally as brilliant as the party of last year. This was, at the time, said to be the most successful party ever given in the High School.

Another event of importance is the annual After Dinner Club-Fellowship affair. This also promises to be a very successful affair.

To the underclassmen a "good" class party means a funny entertainment in the Auditorium, some peppy games in the Gym, and "eats." In the last respect the Seniors and Freshmen differ little, the refreshments being ever the hit of the evening. In one other respect, however, the difference is radical. Dancing is the major feature to be considered when we are advanced enough to be seated in the balcony. Then games are too childish—that's all. But it was only a year or two ago that we were running "newspaper races" and the like with keen zest.

But there is one place where the little Frosh, stimulated perhaps by the presence of his Senior brother, dares to dance. That is at the Matinee parties for all members of the Literary Association. Just a few years ago

Social Events—Continued

these were first sponsored as an incentive for students to buy Literary tickets, but now they have become settled affairs in the school. This year particularly they have been great successes and unusually well attended. They offer the opportunity for all of the students from the different classes to gather together for a good time, and for alumni to keep in touch with the social activities of the school; provided the grads are members of the Literary Association.

But lest the student body think that the teachers may never attend any "Class Parties" unless as chaperones, we must not omit the Teachers' Party. This is also an annual affair. At the last party the teachers provided their own entertainment, dividing into groups according to the length of time that they had taught here. Then, too, as it marked Mr. Nutting's twentieth year as Principal here, the faculty presented him with a Winchester repeating shot gun.

Miss Melin, who assisted Miss Weckel with the Christmas party, also had a good share in the arrangements for the P. T. A. "Hi-Nite" given last fall. The affair was in the form of a carnival, made up of many clever parts, the parents, teachers, and students all doing their share on the program. Perhaps the biggest hit of the evening was made by Mr. Jones in his Scarf Dance. The carnival was a success financially and socially, and is the type of thing to bear repeating.

We have tried to give a general account of the social season of Moline High School, which begins with the opening of school in the fall and extends to the very last of the school year in June. In its place it is of great importance in the school life, for it keeps each class banded together. Much of its success this year belongs to the class officers, the faculty advisers, and the social committees.

Our Advertisers

On the following pages appear the advertisements of professional and business men and women. These people have shown in this very material way their interest in the school and their desire to lend their support to what they consider a worthy enterprise.

We may well show our appreciation by patronizing them. They deserve our support.

Throughout this section will be found examples of humor from the pens of our cartoonists and humorists.

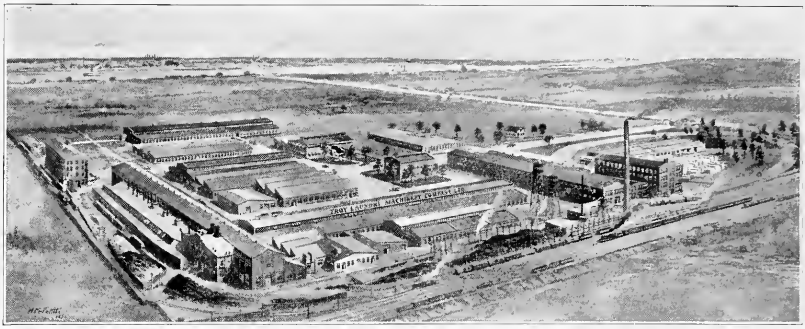
Our Big Business has been built on service and satisfaction. We offer the best new and used car bargains in the city. Come in any time.



Forty-three years of constant endeavor to produce the finest and best in laundry equipment is the record of which Troy is proud, for the production of such equipment has been of material assistance in helping the power laundry produce a family bundle that is satisfactory to the housewives of the United States.

We are constantly on the alert to be the first to produce time and labor saving equipment for the laundries, and at the same time be positive that these machines are capable of producing the highest quality of work with a minimum of wear on the articles being laundered.

Our labors are a direct effort to conserve the health and youth of the women of the nation by producing for the power laundry the finest and most complete line of laundry machinery, so that the housewife is justified in sending the entire family bundle to the laundry, thereby relieving herself of the drudgery and annoyance of "Wash Day."

A Troy Equipped Laundry is usually a modern one.

His Ruling Pride

JOHN DEERE
HE GAVE TO THE WORLD
THE STEEL PLOW

He had reached the heights of success. From an humble beginning as a blacksmith in a little shop he had become the head of a great industry.

After fashioning the world's first steel plow in that little blacksmith shop of his younger days, he had steadily developed until he had become the world's leading maker of steel plows.

His plows had been used to conquer untamed wilds in many lands. Civilization had advanced behind his plows. The world was more prosperous and happier because of his plows. Wherever agriculture was progressive his name had become a household word.

John Deere had done much of which he might well have been proud. To have risen by his own efforts from a blacksmith to a leader of industry, to have served the world greatly and to have received from the world recognition for his services—these were achievements to stir pride in the heart of any man.

But John Deere's ruling pride was not so much in the great end attained as in the great way in which the end had been reached. Reviewing his career, he felt most pride in the consciousness that he had never produced a plow of poor quality. His was the pride of the master workman.

The simple pride that John Deere felt, is the pride of the makers of John Deere implements today. It is a powerful incentive to the maintenance of the high standard to which John Deere tools have been kept for eighty years.

Nov. 13—Another Matinee Dance. Devotees of "Dapper Dan" and "Louisville Lou" turn out en masse.

Nov. 15—Peoria and "M" Men's Day. Big parade. Fighting Maroons go down before Crimson for first time in three years.

Nov. 19—Senior girls reverse procedure and entertain mothers at A. D. C. dinner.

Nov. 24—Last Days of Pompeii sponsored by Latin Department. Large attendance. No wonder—admission ten cents.

Nov. 27-30—Thanksgiving Recess. Turkey and football chief attraction.

Nov. 27—Setting: Rock Island versus Moline, Turkey-day, Browning Field. Carlson and Co. play some real football and emerge easy winners.

Nov. 28—Junior Dramatics to fore. "Clarence" to be presented.

Dec. 2—Girls excited. Sheik Emmanuel visits school.

Fresh Air

Air which has been playing tag with shrubberies and trees yesterday in Colorado, Michigan, or Maine—or any place—is playing mischief with your hat or hair today.

At some point in this distance OLD SOL with the sun rays has purified it, the lakes, rivers, rains have humidified it, and the trees and the shrubberies have loaded it with oxygen.

This pure fresh air is just outside of the windows of the Logan School.

The Univent in this school takes this pure fresh air from just outside the window, heats it to a normal temperature and distributes it to every nook and corner of the room.

The Univent changes the air in each room completely eight to nine times each hour.

Ask to have the Univent explained to you. You will find it interesting.

If you want more information write us for a catalog.

ALWAYS ON TOP—MOLINE DAILY DISPATCH

Congratulations Class of 1925

We wish to congratulate you boys and girls of The Class of 1925 upon having so successfully completed your course in the Moline High School.

We are proud of the splendid work you have done, not only in the class room, but on the athletic field and in other high school activities.

Keep that "M. H. S. Spirit" alive and you are bound to succeed in whatever field of endeavor you choose to enter.

MICK ERICKSON
Capt. 1924-25
Basketball Team

Captain Mick Says:

Servus Rubber Co.,
Rock Island, Ill.

A basketball player is just as good as his feet. Sudden starting, stopping and pivoting play an important part in the records of a champion basketball team.

During the past two years the Moline Maroons have won the District Tournament and have been equipped with Doc Meanwell's (Wisconsin mentor) Servus Shoe. The shoe has proven exceptionally long wearing, cool and with an ideal sole for a slippery basketball floor.

Sincerely yours,

(Signed) M. ERICKSON,
1925 Maroon Captain.

ROCK ISLAND, ILL.

Congratulations
and
Best Wishes—
Graduates

THERE'LL always be a warm spot in your heart for your old high school; you'll want to keep posted on its future activities and development. And you'll also want all the news of the "doings" of your old "friendly rivals" from Rock Island High School.

For complete reports of the activities of both Moline and Rock Island High Schools, read—

TO FUTURE CITIZENS

Future citizens, those who are at present preparing themselves at school to take part in the community's industry and business, are especially invited to come direct to us to get a better understanding of some of the interesting and important problems which have to do with gas and electric service. We are always glad to show those interested what is back of the service, the plants and equipment that are necessary to assure the readiness to serve at all times, the quantities of supplies and materials necessary, the records that must be kept, etc.

Gas and electric service is of vital importance to everyone who expects to live and enter business in this community. The problems entering into the furnishing of gas and electric service are common problems of the public service company and the citizens of the community. Only cooperative thinking and working will solve them.

The necessity of being prepared ahead for the growth and increasing needs of the community with great plants and distributing equipment representing a capital investment five times that of other businesses compared to annual income, the necessity of unfailing, uninterrupted service depending upon the faithfulness of hundreds of men and women employed in the service, and the need of skilled, responsible men and women who will keep pace with the times by making use of modern inventions which provide better service at lower cost are all problems with which every future citizen should be familiar and which we will be glad to discuss with anyone who calls on us.

WHY GRADUATE?

NO ONE LOSES TIME BY TAKING TIME TO GRADUATE.

If two young people start out in life at the same time, one a graduate from high school, the other not, in practically every case the graduate will be farther ahead at the end of two years, and will stay ahead.

IF ONE DOES NOT GRADUATE FROM HIGH SCHOOL:

He cannot enter college.

He cannot go to any first class law school.

He cannot go to a first class medical school.

He cannot go to a first class dental school.

He cannot enter an Army Aviation school.

He cannot qualify for a position in a newspaper office.

He cannot secure a responsible position in a bank.

He cannot get a place that offers opportunity for promotion in a railroad office, in a big business concern, or in a manufacturing plant.

JUST GETTING BY

The student who is content to "just get by" in his studies, who imagines that high grades and a good understanding of his subjects studied are all right for the grind or the book worm, should consider carefully the records that follow.

Who's Who in America publishes the names of all the men and women who have gained distinction in any field of worthy endeavor and therefore may be considered a list of America's successful people.

The records of the graduates for a period of years of five Universities (Harvard, Yale, Princeton, Brown, and Amherst) were followed and here is what was found—

Of 7979 seniors, in 85 graduating classes, 348 won high honors for scholarship, 131 of these 348 (although still young men) were mentioned in Who's Who.

The student with high scholastic honors is about seven times as likely to succeed as the ones who are satisfied to "just get by."

Your best chance for an education is before you, NOW.

Neither throw it away nor waste it.
